

Owner Hooks

Owner Hooks are second to none in popularity among fresh and saltwater anglers around the world. While other hook manufacturers claim their hooks to be sharp, or sharpest, Owner CUTTING POINT® hooks are the only hooks designed to penetrate.

Owner Pin Hook “50922”

Hook made of ultra thin Hi-Carbon steel. Excellent for trout.

Owner
Pin Hook “50922”

Item No.	Size
HO-50922	8, 10, 12, 14

Owner Iseama “50188”

An excellent all purpose hook with a short shank. Smaller sizes work outstanding on steelhead and salmon, bigger can be used for walleye.

Owner
Iseama “50188”

Item No.	Size
HO-50188	2, 4, 6, 8, 10, 12

Owner Spade End “50010”
